Tsinghua University Press and Springer-Verlag

Nano Research is a monthly, peer-reviewed, international and interdisciplinary research journal on all aspects of nanoscience and nanotechnology.

Paper submissions are solicited in all topical areas, ranging from basic aspects of the science of nanoscale materials/structures to practical applications of such materials/structures.

Features of **Nano Research** include:

- Open-access in 2008-2010
- Rapid review (<4 weeks, 1-2 weeks for urgent hot paper)
- OnlineFirst™ publication online

Nano Research offers readers an attractive mix of authoritative and comprehensive *Reviews*, original cutting-edge research in the format of *Short Communications*, and full *Research Papers*.

Visit the journal homepage at springer.com for more information. For submission of Research articles of Short communications please follow the link “Submit online”.

Supplementary information and a list of accepted articles is available at

www.theNanoResearch.com.

For review articles, contact editor.nanoresearch@yahoo.com to inquire suitability of the intended article.
