**July 10, 2015**

**Paper of the Month**

The editorial board of *Nano Research*, along with Tsinghua University Press (TUP), has established the Paper of the Month Award in order to recognize exceptional creativity of the paper and recommend the most influential paper to the public.

Paper of the Month Award is open to the papers published in *Nano Research* in every month. Each award will be determined by the Award Committee (Editors-in-Chief, Chair of Advisory Board, Associate Editors, Advisory Board Members, and Editorial Board Members) starting from July 2015. There is only one winner per month. The awardees will receive a prize of RMB ¥5,000. The winner's name and work will be featured in *Nano Research* and other media. The paper of the month can be downloaded for free in the next couple of months.
